Welcome to Quarter 4!! It is so hard to believe that the school year is almost over. This quarter always goes by so quickly and is filled with a lot of different activities and events. While this year things will look differently, we will still be celebrating our 8th graders and their transition to high school. We will also be welcoming in our incoming 6th graders. As our virtual events get closer, we will send out emails and post information on our website and Facebook page.

Another big part of Quarter 4 is State and MAP testing. You can help your student do their best by making sure that they get 8 hours of sleep, eat a good breakfast, and ensure that they bring a fully charged Chromebook to school each day. The testing dates for each grade level are listed on our website and in this newsletter. Remote learners will receive specific information on these tests and the options on how to complete testing in a separate email.

Quarter 3 Report Cards Remote Learner News

The Quarter 3 report cards will be on Synergy after March 24th. Please remember that for this school year, the District is omitting the work habits and conduct grading on middle school report cards. This means that teachers will not enter anything in the work habits and conduct grades section. As usual, each teacher is expected to communicate with their students, as well as their parents/guardians, about their progress regarding work habits, conduct, and other pertinent information that would support their success as students.

Remote Learner Material

There will be supplies/materials for Remote Learners to pick up starting on Tuesday, March 16th. You can pick up the materials at the front entrance between 7:30am and 4:00pm.

Remote Learner

Stop by the LPS website and enter the word *remote* into the Search, Keyword box in the top right corner. The Student Support page on the Remote Learning site has links to valuable resources to support your student while learning at home. Please make sure that your student knows how to connect with their teachers using StudentVue. The Parent/Guardian Support Page is filled with valuable information designed to help you help your student. The "10 Remote Learning" If you need technology support please call 402-436-1735
